IEEE SVCE STUDENT BRANCH VALEDICTORY CEREMONY (2025-2026) REPORT

The IEEE SVCE Student Branch successfully organized the **Valedictory Ceremony for the Academic Year 2025–2026** on **8th May 2026** from **10:00 AM to 11:30 AM** at the **Library Seminar Hall**. The ceremony was conducted with the objective of commemorating the successful completion of another productive academic year and recognizing the collective efforts, achievements, and contributions of the IEEE Student Branch office bearers and faculty coordinators.

The programme served as a reflection of the consistent dedication, teamwork, innovation, and technical excellence demonstrated by the IEEE SVCE Student Branch throughout the Academic Year 2025–2026. Various workshops, technical competitions, webinars, guest lectures, and professional development initiatives organized under the Student Branch significantly contributed towards enhancing students' technical knowledge, practical exposure, leadership qualities, and collaborative learning experiences. The event also highlighted the collective efforts and commitment of the office bearers, student volunteers, and faculty coordinators in successfully conducting numerous IEEE activities during the year. The ceremony witnessed enthusiastic participation from faculty coordinators, office bearers, and students from various departments, making the occasion both meaningful and memorable while celebrating the achievements and growth of the IEEE SVCE Student Branch.

The valedictory ceremony commenced with an introductory address delivered by **Ms. Vikhashini S, Outreach Executive**, who warmly greeted the dignitaries, faculty coordinators, office bearers, and students assembled for the occasion. In her address, she highlighted that the ceremony was not merely the conclusion of an academic year, but a celebration of the dedication, teamwork, achievements, and learning experiences that defined the journey of the IEEE SVCE Student Branch throughout the Academic Year 2025–2026. She further emphasized how the Student Branch had consistently created opportunities for students to engage in technical learning, innovation-driven activities, interdisciplinary collaboration, leadership development, and professional growth beyond the classroom environment.

The formal proceedings of the Valedictory Ceremony commenced with a prayer song rendered by Sri Raja Rajeshwari S, Chair of the IEEE SVCE Student Branch, which created a calm and positive atmosphere for the event. Following the invocation, she delivered the Welcome Address and extended a warm welcome to the dignitaries present on the dais, faculty coordinators, office bearers, and students gathered for the ceremony. She also expressed her privilege and happiness in welcoming everyone to the Valedictory Ceremony of the IEEE SVCE Student Branch for the Academic Year 2025–2026.

Ms. Sri Raja Rajeshwari S, delivering the Welcome Address

In her address, Sri Raja Rajeshwari S reflected upon the journey and accomplishments of the Student Branch throughout the academic year. She emphasized that the gathering marked not only the conclusion of an academic year but also the celebration of the consistency, initiative, and collaborative spirit demonstrated by the members of the Student Branch. She highlighted that every event organized under IEEE SVCE SB was conducted with a meaningful purpose, including promoting technical exploration, enhancing practical knowledge, encouraging teamwork, and providing students with exposure beyond the classroom environment.

She further stated that the true growth of a student community is measured through active participation, responsibility, and continuous learning. She appreciated the enthusiastic involvement of students from various departments and acknowledged the constant guidance and support provided by the IEEE Counselor, Heads of Departments, faculty coordinators, and office bearers. Concluding her address, she expressed sincere gratitude to everyone whose support and contributions made the academic year productive, successful, and memorable, and conveyed her hope that the valedictory ceremony would serve as a meaningful celebration of the collective journey completed together.

The gathering was then addressed by **Dr. K. R. Santha**, IEEE Student Branch Counselor, Vice Principal, Dean – Research and Professor. In her address, she appreciated the commitment and enthusiasm shown by the students throughout the academic year and encouraged them to continue participating in technical and professional activities that strengthen innovation, leadership, and practical learning. She also highlighted the importance of organizations like IEEE in bridging the gap between academic learning and industrial expectations.

Dr. K. R. Santha, addressing the gathering

Following the address delivered by Dr. K. R. Santha, the faculty coordinators Ms. K. S. Pavithra and Ms. C. Gomatheeswari Preethika addressed the gathering and expressed their sincere gratitude to Dr. K. R. Santha for her constant guidance, encouragement, and support towards the successful functioning of the IEEE SVCE Student Branch throughout the academic year. They appreciated the dedication, teamwork, and enthusiastic efforts demonstrated by the office bearers in successfully organizing various technical and professional activities under IEEE. They also acknowledged the active participation of students across departments and encouraged them to continue contributing towards innovative initiatives, collaborative learning, and future IEEE activities with the same spirit and commitment.

Address by the Faculty Coordinators

One of the major highlights of the programme was the **Annual Report Presentation** of the IEEE SVCE Student Branch for the Academic Year 2025–2026. The annual report briefing was presented by **Mr. Jai Kishore, Secretary** who provided a comprehensive overview of the events and initiatives organized throughout the year. The presentation covered major activities including the IEEE Student Branch Inauguration, Business Reboot 2.0, Computer-Aided Electromagnetic Field Analysis Workshop, Webinar on AI Unleashed – Industrial Trends, Skills and Opportunities, and Decode and Deploy technical competition.

Mr. Jai Kishore, briefing the Annual Report

The annual report presentation effectively showcased the Student Branch's commitment towards fostering technical competency, innovation, leadership qualities, collaborative learning, and industry-oriented exposure among students. It also reflected the active participation and contributions of students across various technical and professional events conducted during the academic year.

The ceremony continued with the **Certificate Presentation Ceremony**, during which certificates were distributed to the faculty coordinators and office bearers of the IEEE SVCE Student Branch in recognition of their service, commitment, leadership, and valuable contribution during the Academic Year 2025–2026.

**Ms. K. S. Pavithra , Ms. C. Gomatheeswari Preethika, Mr. N. Suresh receiving certificates
from
Dr K. R. Santha during the valedictory ceremony**

**Office bearers of the IEEE SVCE Student Branch receiving certificates in recognition of
their dedication and contribution during the Academic Year 2025–2026**

The recognition ceremony served as an appreciation of the sincere efforts and responsibilities undertaken by the office bearers in ensuring the successful functioning of the Student Branch activities throughout the year.

Following the certificate distribution, an official **group photograph session** was conducted with the faculty coordinators, office bearers, and students to commemorate the successful completion of the academic year and preserve the memories of the occasion.

Group Photograph – IEEE SVCE Student Branch 2025–2026

The programme concluded with the **Vote of Thanks** delivered by **Mr. Sanjay Kumar V, Secretary**. He expressed sincere gratitude to **Dr. K. R. Santha**, the faculty coordinators, office bearers, and all the students whose support, guidance, participation, and collaborative efforts contributed significantly to the successful conduct of the IEEE Student Branch activities during the academic year. He also appreciated the enthusiasm and dedication displayed by everyone in making the Student Branch activities impactful and meaningful.

Overall, the Valedictory Ceremony served as a significant occasion to reflect upon the achievements, learning experiences, and collaborative efforts that defined the journey of the IEEE SVCE Student Branch during the Academic Year 2025–2026. The ceremony successfully celebrated the spirit of teamwork, technical excellence, innovation, and professional growth while motivating students to continue striving towards academic and professional success in the years ahead.

Mr. Sanjay Kumar, proposing the Vote of Thanks
